

ANZAC SQUARE

Create your own poppy

Commemorate differently this Anzac Day by creating a poppy at home and writing a message to remember and honour those who served, past and present.

Step 1:

Colour in your poppy in red.

Step 2:

Write your message around the edge of the poppy, avoiding the fold lines.

Step 3:

Carefully cut your poppy out around the edges.

Step 4:

Fold your poppy in half along the crease.

Step 5:

Fold again along the other crease.

Step 6:

Hold the folded crease and let the poppy open to form a cone shape.

Step 7:

Gently push the centre upward.

Step 8:

You're done! Share your poppy and message by tagging Anzac Square Memorial Galleries on social or using the hashtag #AnzacSquare and help commemorate differently this Anzac Day.
